REF: MERRY CHRISTMAS AND HAPPY NEW YEAR 2021

Dear Friends

Fraternal greetings from Sharing Youth Centre in Kampala – Uganda. Sharing Youth Centre as a big Youth Centre in Uganda has for mission to take care of the underprivileged members of the society: street kids, slum youths, young women facing challenges, rural youths coming to the city, refugees and more other category of youths. The Centre provides vocational education with ICT and Library services, guidance, counselling, sport and many other activities to meet the need of the youths.

During the Covid'19 lockdown, all activities generating income for the sustainability of the Centre were closed. There was no local income.

Despite the hard moments of the year 2020, you stood firm with Sharing Youth Centre with your donations, special thoughts, words and messages of encouragement. With your efforts, we have been able to:

- Retain all our staff
- Purchase of sanitizers for the youths who stay at the Centre especially in the hostel
- Purchase food items for many youths who had lost their jobs and living in slums
- Purchase food for the girls and refugees who stay in the hostel of Sharing Youth Centre.
- We have been able to reopen the school despite the challenges of finances. Students could not pay school fees anymore.

I am therefore writing today to recognize your donation and to thank you for the generous heart and the love you shared with the youths. On behalf of the beneficiaries, the Board of Governors and the Management of Sharing wishes to thank each and every one of you for your generous contrition towards the above-mentioned activities.

With this donation we were able to retain the staff and to stay relevant at the service of the youths. Many institutions have closed all their activities due to lack of funds, but Sharing youth Centre remained opened until the slow reopening. This is due to your generosity and your spirit of Sharing. We thank you and pray for God's blessings upon each one of you.

We take this opportunity to wish you a Merry Christmas and a Happy New Year 2021. We pray that we receive the Messiah in your homes. We pray that the year 2021 be a year of hope, optimism and good health. Merry Christmas and Happy New Year 2021. We look forward to more partnership with you.
